Raise & Track Claims

Head to My Policy to Raise

CLAIM INTIMATION: Inform us in advance about your hospitalization, be it cashless or reimbursement, for a smoother claim process.

REIMBURSEMENT CLAIM SUBMISSION: Pay the hospital bill upfront, and we'll reimburse the eligible amount once you submit the required details.

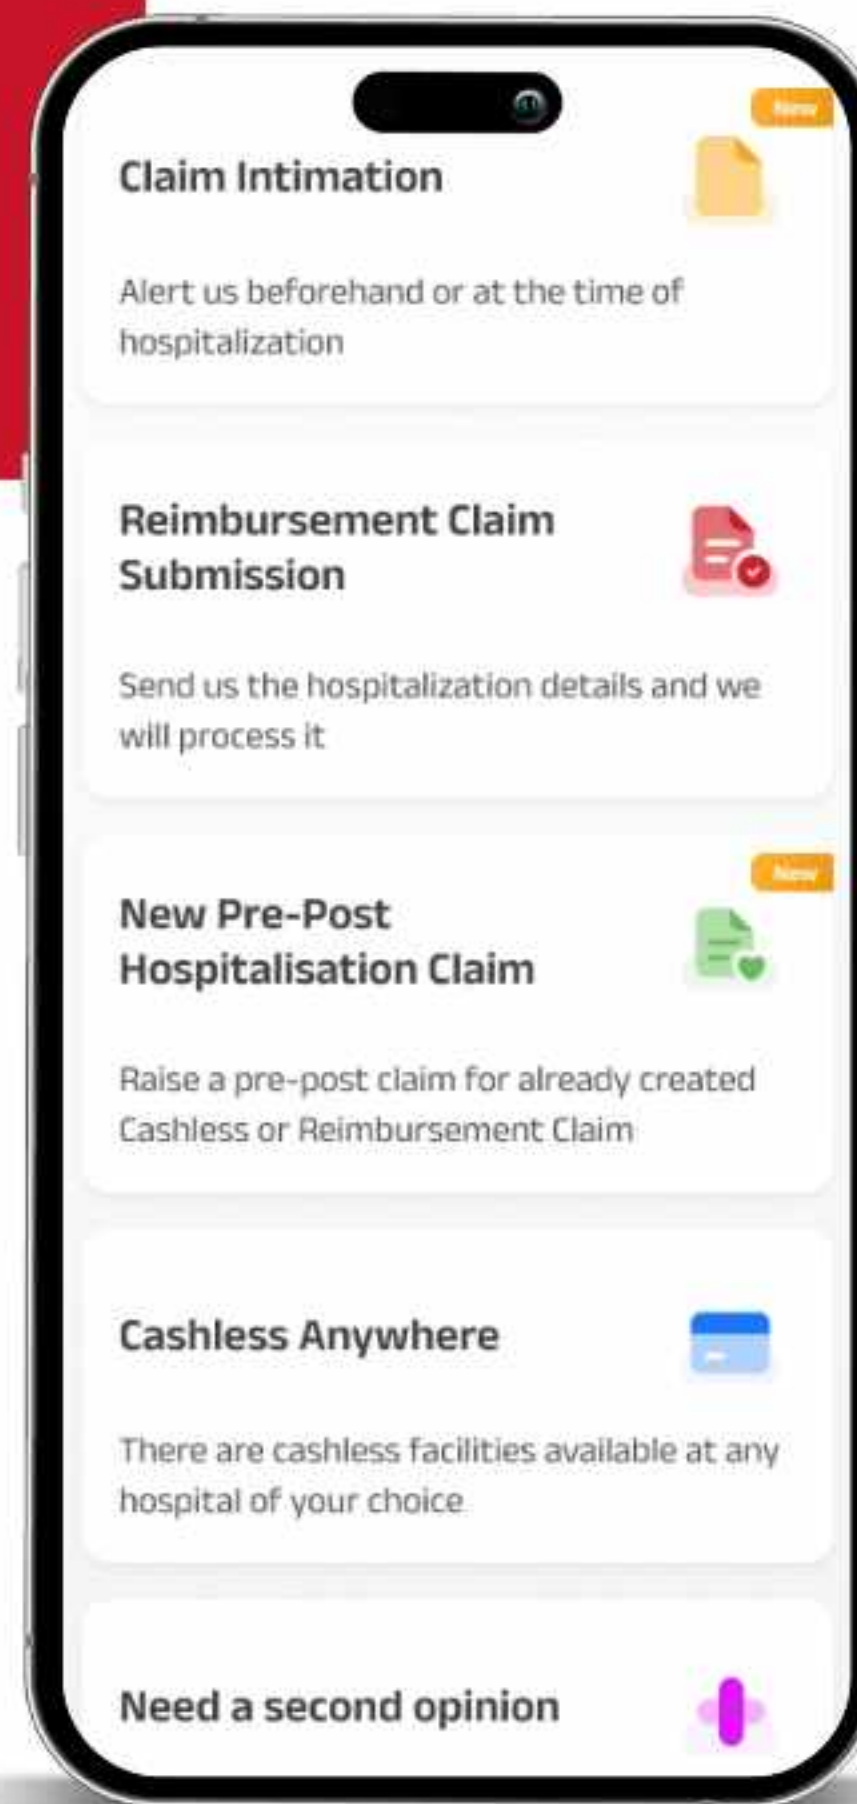

PRE-POST HOSPITALIZATION CLAIM: Submit medical expenses incurred before or after your hospitalization for reimbursement as per your policy.

CASHLESS ANYWHERE: Avail cashless treatment at network and select non-network hospitals.

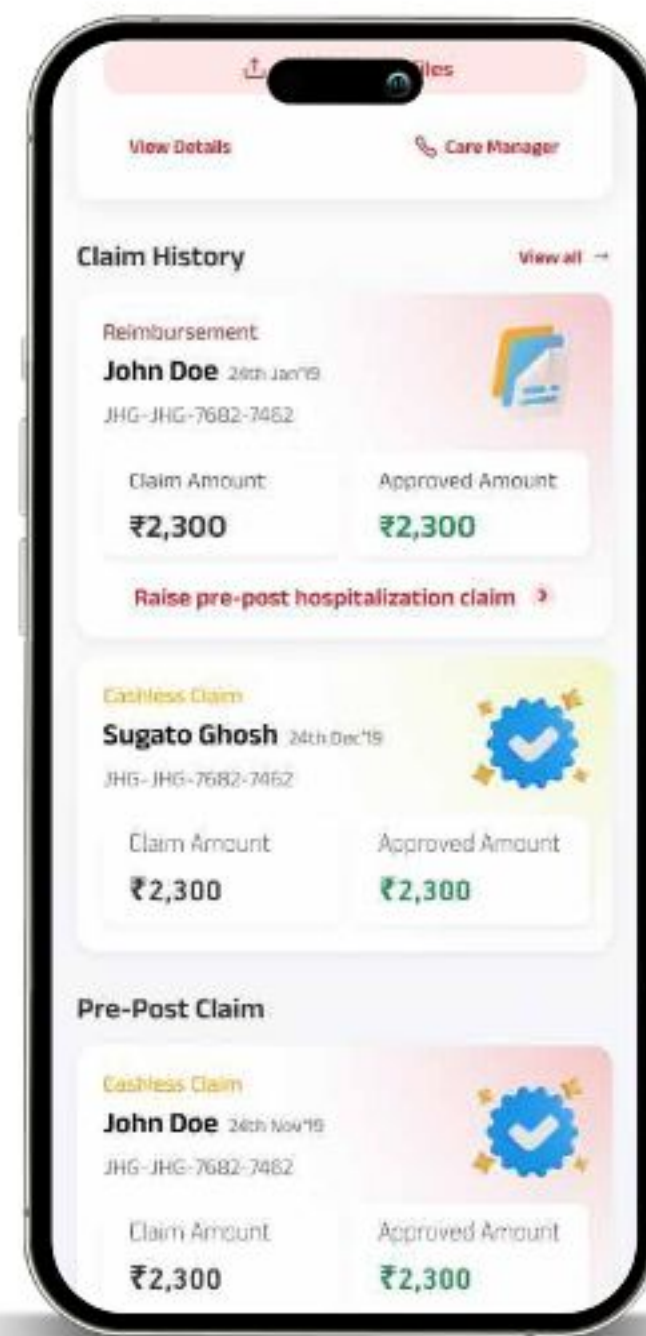

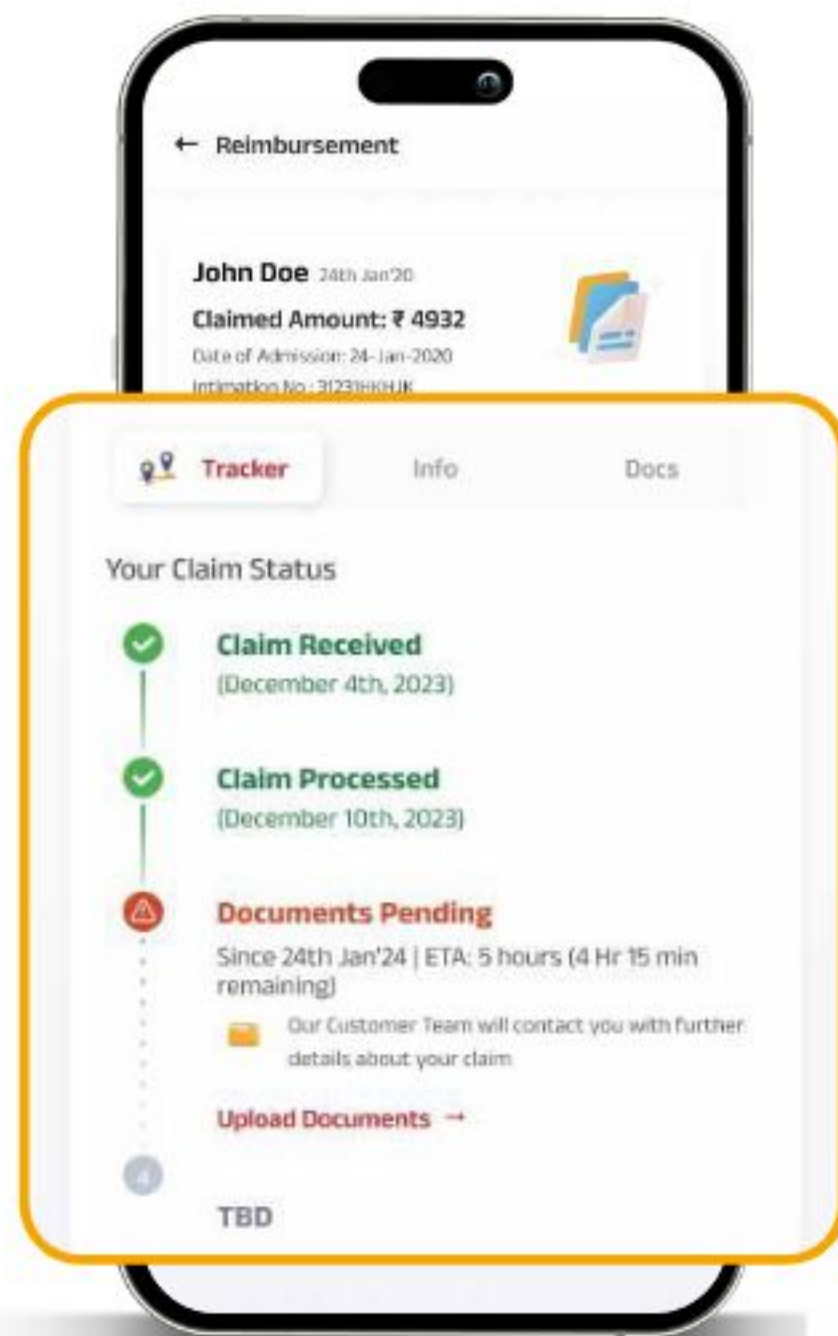

SEEK SECOND OPINION: Consult expert doctors for a second opinion on critical illnesses, ensuring the right guidance for your treatment.

Track Claims

Track your claim status in real time, from submission to processing and stay informed about whether it's received, pending, or approved.
